Dear Colleague,

100 Greatest Australian Gourmet Experiences

Special Edition, Apr/May 2010

Following on the success of the *100 things To Do In Australia Before You Die*; *100 Things To Do In Australia You've Never Heard Of* and the *100 Best Towns in Australia*, *Australian Traveller* magazine will publish the next instalment of this flagship issue in Apr/May 10.

This fifth edition of our special 100 things takes on the most popular activity in Australia - Great Gourmet Experiences.

We need your help to ensure we don't miss a Great Australian Gourmet Experience.

We have gathered together an impressive panel of foodies and chefs to help us with our selection process, but these people need an outstanding list of nominations from which to choose - and that's where you can help.

We are writing to you in the hope that - as experts in your particular area of Australia - you would want to ensure amazing gourmet experiences in your area are definitely on the list of candidates that go in front of our panel. Experiences should be specific rather than general, but our selection criteria will be broad, so use the attached form to make your claim to a Great Australian Gourmet Experience.

The SIMPLE nomination form takes less than FIVE MINUTES to complete per nominated experience. One form per nominated experience, however you can make multiple nominations.

Grateful thanks in advance from both the *Australian Traveller* team - and indeed your local economy - for making sure the best places in your area get nominated for the *100 Greatest Australian Gourmet Experiences*.

If you have any question, please feel free to email qlong@australiantraveller.com or call Quentin Long on 02 9281 6080.

Best wishes,

GREG BARTON, Editor
Australian Traveller magazine
